ABOUT US

Alibi Mobile bars is the events arm of Alibi, one of Cheshire's most popular cocktail bars and party venues.

Our portfolio of bars is ever-expanding, so there's bound to be something perfect for your event!

2, 4 & 6 METRE BARS

Our 2 metre bars have been custom built to maximise our cocktail making output. We currently have 3 of these, to make up to a 6 metre bar.

Each bar has 2 working stations, accommodating 2 bartenders. These bars are black with our logo on the front, with white marble effect tops, but can be bespoke branded upon request.

Brand new to our fleet are these fabulous 2 metre stainless steel bars. The front can be changed, either black or white, or for a little extra, can be made with a bespoke logo!

STAINLESS STEEL 2 METRE BARS

We have 2 of these bars, making a 4 metre long bar - perfect for events up to 150 people.

4 FOOT BARS (THE ORIGINAL!)

These 4 foot (1.2m) bars are where it all started for us. Steel frames, with a stainless top and black metal panels.

There's 2 of these bars and when put together make a fab 2.4m long bar, for 2 bartenders - perfect for events up to around 70 people. Robust, durable with deep storage area!
